

ARE WE NEARLY THERE YET?

Five things to make your trip to and from Bekonscot Model Village a bit less boring. It's more fun than counting the miles and more interesting than picking your nose!

Challenge 1.

Ask an adult to time you for ten minutes. How many things can you see:

- Beginning with the letter "B"
- That are older than you
- That were made more than 100 years ago

Challenge 2.

Ask an adult to time you for ten minutes.

Looking out of the window, how many different type of animal can you see?

Challenge 3.

Look out for these road signs. How many do you see and what do they mean?

Challenge 4. Model Train Wordsearch

Find the 14 words hidden in the grid below.

They run left-to-right, top-to-bottom, and diagonally too. Good luck! (Even Mr. Jones who helps drive the trains here couldn't find the last one when we tested it on him, so you'd better beat him. He's 83.)

Challenge 5. Here comes the train! Can you draw the models that you saw today?

If you've taken photos too, why not share them at www.bekonscot.co.uk
